BUILDING SOUTH AFRICA  
THROUGH BETTER ROADS

## MEDIA INVITATION

### **SANRAL takes bursary and scholarship programme to Bizana learners**

*Eastern Cape, 13 September 2021* – The South African National Roads Agency SOC Limited (SANRAL) will host its bursary and scholarship programme in Bizana, located in the Winnie Madikizela-Mandela Local Municipality, on Thursday, 16 September 2021.

Scholarships are available to high school learners from Grade 8 to Grade 12, regardless of their subject choice. Furthermore, where learners previously required a 70% overall aggregate to be eligible for consideration, they now require 60% with a view to improving their aggregate to 70%.

SANRAL aims to support deserving qualifying students in the fields of transportation infrastructure, engineering and its related professions in the built environment, smart technologies, public sector infrastructure development and administration and other professions related to the core business of SANRAL.

This event aims to share with learners the opportunities presented by the bursary and scholarship programme and how they can access these.

**Date:** Thursday, 16 September  
**Time:** 09h00 – 14h00  
**Venue:** Mdatya Senior Secondary School in Bizana

**RSVP:** Wednesday, 15 September
