ROUTE CLOSURE MAP

SANRAL

BUILDING SOUTH AFRICA
THROUGH BETTER ROADS

The N2 (northbound and southbound) between EB Cloete Interchange and Umgeni Road Interchange, and the M13 between Westwood Mall (Essex Terrace Interchange) and 45th Avenue (also known as 45th Cutting), will be fully closed to all traffic for approximately 34 hours.

DETAILED ALTERNATIVE ROUTE GUIDE

The closure is required to safely remove the old King Cetshwayo Bridge structure on the M13 over the N2 taking place:

- from 18:00 on Saturday, 21 June 2025 until 04:00 on Monday, 23 June 2025

Road closures will be implemented at various points within a defined radius of the EB Cloete Interchange.

NOTES TO READERS

Read together with the Alternative Routes Map. This identifies routes across the city for consideration as you plan your travel.

STEP 1

Consider whether you need to travel during the planned placement of bridge beams or if you can delay travel.

STEP 2

Identify the direction of your travel and find this direction in the headings of options provided overleaf.

STEP 3

Consider your travel options while referring to the route map provided.

STEP 4

Use your GPS Maps function ahead of travel to get up to date information that may affect your travel times. Visit www.i-traffic.co.za/region/KwaZulu-Natal

STEP 5

Ensure you leave yourself enough time for the trip, noting potential speed limit changes and alternative route congestion.
