

SANRAL BURSARIES

Assistance
for a better future

The South African National Roads Agency (SANRAL) offers financial support that looks beyond the traditional scope of engineering, to encompass the overall SANRAL corporate structure.

SANRAL

BUILDING SOUTH AFRICA
THROUGH BETTER ROADS

SANRAL aims to support deserving qualifying students in the fields of transportation infrastructure, engineering and its related professions in the built environment, smart technologies, public sector infrastructure development and administration and other professions related to the core business of SANRAL.

Students at Universities, Universities of Technology and Technical and Vocational Education and Training institutions can now apply for a SANRAL bursary.

DO YOU QUALIFY TO APPLY FOR A BURSARY?

- **Students at university** need a **60% overall average**.
- **Matriculants** need a **70% overall average**.
- Bursaries are for **undergraduate** and **postgraduate studies**.
- Awards will be made in line with **SANRAL's Employment Equity (EE) Transformation Policy** objectives.
- The **applicant's financial situation** will be taken into consideration.
- Applicants with **other bursaries** will be disqualified.
- Students with **disabilities** are invited to apply.
- Bursary recipients will have the opportunity to apply for **on-the-job training**.
